I hope all of you had a great Thanksgiving and have a great time through the rest of the holiday season.

As most of the membership knows, Rod Thompson, Golf Professional at Kenwood Golf and Country Club, for the past 34 years, has announced his retirement from the Club. Through a job position posting with the Professional Golf Association of America we have received a list of qualified applicants for the Head Pro position. A committee made up of member representatives, Mary Mayberry, Tim McGarrity, Jill Headley, Mike Urquhart, Bob Ott, Gus Bessalel, Greg Bremer, John Nunez and Mike Mitchell, has been working long hours as they diligently work through the selection process. I wish to thank each member of the committee for their energy, time, vision and passion while striving to find the best and most qualified candidate who encompasses all the qualities we are seeking. As this year comes to a close, an announcement will be made as to the identity of our new Golf professional.

The interior of the golf shop is slated to undergo a major renovation with a redesigned layout to include new service counter with new fixtures, furniture and lighting. Work will begin in January 2012, and will take about three and a half months to complete.

The Golf Committee has given John, the Golf Course Superintendent, the nod to go ahead and start repairs on the course bunkers. He will remove the sand, add drainage and when the temperature is right he will spread the “Klingstone” and put fresh white sand in the bunkers. John is going to get a jump on the work during the winter so that when springtime comes and the temps rise the bunkers will be complete and ready for play.

Also, the tree program is now under way for holes 2-8. We now know the best and most compatible types of trees to be planted and where they will need to go on the course. We are holding off on the tree program on the clubhouse side of the course due to the pond project. There will be too much change to the course as a result of ponds, and we do not want to have to repeat any of the tree work.

I am optimistic that the pond project, still under way and in “process” remains on track, although a very slow track and I am hopeful to start the enhancements in October of 2012.

The new golf logo is going well. Thank you to all the members who took the time to provide input and drawings; we have some real artists here at the club.

Another new project under way is the children’s outdoor pool area; a “zero entry” baby pool with a frog slide and enhanced water features. This project is slated to be completed by the opening of the 2012 summer pool season. This will make the baby pool so much more enjoyable for the parents and the small ones.

I appreciate the feed back we have received from the membership on the club’s various improvements and your forward vision of Kenwood Country Club. I wish to thank you all for your support in 2011 and your continued support in 2012.

Happy Holidays with the wish of a healthy, joyous and peaceful New Year.

Throughout the year, it is important that the rules and policies of Kenwood Club be adhered to in an effort to make the Club a more enjoyable venue for all our Members and their guests. Below is a list of some of the issues and areas of concern that fellow Members, the Board of Governors and Management want to bring to the General Membership’s attention. The understanding and cooperation of all Members in these areas will be greatly appreciated.

Please, always be mindful, considerate and respectful of other Members and their guests while at the Club.

1. Member’s children, 21 years of age or older, must have a Young Adult Membership to access and use the Club’s facilities. Member’s children without the YA designation are restricted to use of the Club through the Club’s guest policy and the rules that govern that policy. It is incumbent upon the Member that the guest policies of the Club are adhered to.

2. The Golf Course, its fairways, greens, sand traps, practice greens and in particular, the putting green directly behind the Clubhouse, are strictly for use by members and their guests engaged in the game of golf. Activities such as walking for exercise, strolling, jogging, bicycle riding, cross country skiing or sleigh riding for example, are not permitted on the Golf Course. Parents, children are prohibited from using the Club’s golf course, the sand traps and greens, as a play area at anytime.

3. Members and their guests are required to sign in on the proper sign in sheet before using the Golf Course, Tennis Courts, (indoor and outdoor) the Fitness Center, and the Outdoor Pools.

4. Members or sponsored guests reserving or occupying a single occupancy room in the Club Guest House must be at least 21 years of age or older. Persons under the age of 21, are not permitted to stay in a room in the Guest House unless accompanied by a parent, legal guardian or an appropriate chaperone at least 30 years of age or older.

5. Playing ball games, Frisbee or any other unorganized activity that is not approved and controlled by the Club staff is prohibited.

6. All guests must be registered, “signed in,” at the sport/activity facility which he or she will use and be in the company of the sponsoring member. It is mandatory that members sign in their guest(s) by name, clearly and remain on club property at all times while their guest(s) are physically present on club property. This policy applies to the entire club and all of its sporting and/or activity facilities.

7. Reservation Cancellation Policy: All cancellations must be received 48 hours prior to the start time of the scheduled event. Failure to adhere to this policy will result in full charge to your Club account for the confirmed reservation.

8. A person who has been notified that their membership is not in good standing, whose membership is in the state of suspension or whose membership has been cancelled or revoked is prohibited from using the club or its facilities under any circumstance for any purpose. Persons, and their families, in aforementioned status of membership, are not eligible to be the guest of a bona fide member of the Kenwood Golf and Country Club.

So here we are, at the end of another year, and with December upon us, we start with some of my favorites that have now become Kenwood traditions. We have a busy social calendar for this month; there is something for everyone. Starting on the 1st, we have the Tree Lighting just outside the Clubhouse with 5000 tree lights to light up the night, hot chocolate and cookies, open to all, the Holiday Open House, Children’s Christmas Party, and Christmas Eve Champagne Brunch featuring an extensive menu with Harpist Holly Avesian, Hanukah Dinner Party, Pre-New Year’s Eve Dance, and New Year’s Eve in the Restaurant.

Our Holiday Open House is on Thursday, December 8 at 6:30pm. It is a complimentary event and is an opportunity for us to say thank you to you, our members, for your generous support over 2011. It is a wonderful event with Sushi, carving stations and so much more plus a great atmosphere. Entertainment for the evening will be provided by Dan Burbine. If you have not attended in the past, please make a note on your calendar as this event is worth attending. Reservations are required.

And now, on to our pre-New Years Eve event, I have been privileged to watch many bands/acts over the years at Kenwood, but Bryan Clark is just simply the best act I have seen. Bryan entertained at a member’s anniversary party several months back, and I, as were others who attended, was just blown away at the vocal talents of this man. He covers everything from Motown to Sinatra, smooth, sophisticated and that voice…..! New Year’s Eve is one of those evenings when most people are torn on what to do, family, friends, go downtown, etc., and most end up doing nothing. So we decided to celebrate the New Year the day before, leaving you New Year’s Eve free. We priced this event as inexpensively as possible, and we are hoping that you all come out and experience this evening. I can promise you that you will not want the evening to end! For those who do not care to dance, his act is crafted so that you will have the same amount of joy listening to him.

In the Restaurant on New Year’s Eve, we will be offering our regular menu plus a very special Pix Fixe menu, more details enclosed.

The Clubhouse will be closed from January 1, 2011 and re-open on Tuesday, January 17. The next Kenwood Magazine will be out in April, so please keep checking the website for any events that we will add during these months and it also contains the most up to date information regarding the Club.

I would like to thank all the Kenwood employees, in every department, for their dedication this year and whose daily efforts enhance our vision of Kenwood Country Club. Also, thank you for your support and suggestions over the past year.

It leaves me to say; from my family to yours, I wish you all a happy, healthy and peaceful New Year.

See you around the Club.

Thanks, Rod!!!

On behalf of everyone who has ever chaired the KGA, served on the committee, or played in our events, I’d like to thank Rod Thompson for his thirty-four years as our PGA Professional. His expertise, advice, and friendship have been invaluable to us all.

Rod and his wife Marisol will be moving to South Carolina and we wish them many years of happiness relaxing and spoiling their grandchildren.

Thank you to everyone who supported our events this year, and though our 2012 schedule isn’t finalized, Opening Day is set for March 31. Happy Holidays! ★

By Jill Headley and Gus Bessalel

Our fall practices were a great success, with a regular crew of current and aspiring interclub players joining together on Tuesday afternoons. The kids braved occasional wind, rain and some colder weather to keep their swings grooved, but were rewarded by many fun afternoons playing with friends, and a special guest competitor for the final two weeks, our own Assistant Pro, Sam Boyd.

Thanks to all of the parents who came out to supervise, especially Cathy McGarrity, who was a regular fixture each week. We’d also like to offer a special nod of appreciation to Sam, whose presence at a couple of practices motivated the juniors to elevate their games in some fun four ball matches. In one hotly contested match, Sam wowed the boys with his monster drives and chipped in on the 17th hole for birdie to secure a win for himself and his young partner.

Stay tuned for information about a winter rules seminar, spring practices and other special junior golf events in the spring. In the meantime, don’t forget that the heated hitting bays are up and available, so no need to let your clubs hibernate for the winter!

Happy Holidays to all and see you next year. ★

HOLIDAY GOLF SHOP HOURS
To Be Announced
By Betty Churchill

Pennies from heaven, pioggia, pluie, regen – whatever you call it, we have suffered rain all season long. Of the 22 KWGA tournaments planned for the 2011 season, eight were cancelled due to rain. It may “droppeth as gentle rain”, but it surely curtailed play. Speaking of water, Kenwood Club is still waiting for the Montgomery County permit to install water features on the course – if this does not happen by January 1, 2012, the project will not happen in 2012 – stay tuned. This season’s golf events culminated on October 26 – the date of the Chairladies Invitational event. The day dawned bright and dry, but by the time the 15 or so players were several holes from finishing, the “you-know what” started and we were “dewey” by the time we broke for lunch. It was a fun event, and the winners were team Mary Mayberry, Dana Peterson, Betty Churchill and our blind draw Ellen Roche! The second place winners were Iola Abood, Carolyn Clewell, and Alicia Sosman, and everybody’s favorite blind draw, Ellen Roche. A jolly lunch followed. We closed out the official season surrounded by Halloween finery.

We have just held our annual KWGA Fall meeting and election of the new slate of officers – that on Wednesday, November 9. We voted for our new executive board, and they are the following – Harriet Moss, Chairman; Carrie Lin, 1st Vice Chairman and Tournament Chairman; Ellen Roche, 2nd Vice Chairman and Handicap Chairman; Ann Pelham, Treasurer and Barb Umdenstock, Secretary. Well done ladies of the retiring board, and good luck and times to those serving on the new board. The membership knows that we are in very good hands! We thanked all the other chairs or reps of the myriad of committees for serving faithfully and well for this year. We were reminded of all the functions they serve and reviewed accomplishments realized in this busy year. The treasurer reported that we have $3000. in our account. We were told of winning events – MD State Golf Association (swept by Kenwood players); District Play – we have 21 qualified players now and will field two teams of six in 2012. Marilyn Starr will serve as the Vice President of the greater MPG organization. Ann Nichols, our rep to the MD State Golf Association, said that the Kenwood hosted event was swept by our own players – Monica Hamrick, Marilyn Starr, Teresa Shingler, and Ellen Roche. Ann Bergquist reported on rules and

(continued on page 8)
MSGA matters and the completion of our handicap allocation project. Our recent past Chairlady, Joyce O’Brien cautioned the newly elected officers to expect their handicaps to crater.

Another important issue which was brought up and explained and voted on as it is a change to our general rules. This is a change in eligibility to play in either Niner or KWGA events – that is, a member of either group could choose to play (appropriate Handicap needed) in either groups Club events. We would retain our Wednesday and Thursday play days. To play in both groups events, one must be a dues paying member of both groups. A committee will be set up to work this out. This was voted on and approved by KWGA members present. It is felt that this change will add to the participation in all events.

Also, most importantly, December 7 is the date of the fabulous KWGA/Niners Holiday luncheon – be there for noon, in your seasonal finery. That sort of wraps it up for the year 2011!★

**INCLEMENT WEATHER REMINDER**

Should it be necessary for Management to close the Club due to weather, please be aware that under such condition of closure, all scheduled events, classes, facilities and sport activities will be affected.

The clubhouse and all its facilities will be closed Sunday, January 1 through Monday, January 16, 2012. Normal hours of operation will resume on Tuesday, January 17, 2012.

During our closure, you may use the dining facilities at Bethesda Country Club, beginning Wednesday, January 11 through Sunday, January 15. Please call for hours and reservations 301-365-1700.
On October 19, the Kenwood Seniors concluded the season of scheduled events with the traditional RAY KEANY CLOSING DAY TOURNAMENT, which was a two-best-balls-of-four event.

The Seniors who dominated the competition to earn places in this event were:

1ST – BOB BERISH, DAN CHURCHILL, MIKE PRENTISS, and MIKE URQUHART, net 115!!

(See the nearby photo of this winning team, which is under house arrest as the investigation continues!)

2ND – JERRY O’NEILL, KEN PEPPER, MIKE STEMPLER and DAVE WARD, 116!! (Another investigation may be necessary!)

3RD – WARD BARMON, GEORGE DONKIN, EARL GAYLER, and KEN PEPPER, 124

(See the nearby photo of winners Mike Prentiss and Mike Urquhart!)

After the Tournament, the Seniors held their annual luncheon meeting, where they re-elected the following officers:

SENIO RES OFFICERS FOR 2012

MIKE URQUHART – Seniors Chairman and MISGA Club Rep.

JERRY O’NEILL – Vice-Chairman and Assistant MISGA Club Rep.

JIM KASAB – Secretary-Treasurer

(See the nearby photo of the happy officers!)

The Seniors are glad that MIKE URQUHART was re-elected to the Seniors Chairmanship (for an eighth consecutive year – he’s very good!) and will continue to serve and apply his organizational talents to the Seniors. This year he served as Assistant Division Director for MISGA; in 2012, he will become the Division Director, and in 2013, he will become President of MISGA!

The Seniors are also very glad to continue JERRY O’NEILL as the KSGA Vice-Chairman. Jerry continues to be an active and enthusiastic participant and volunteer in the Seniors program. Jerry spent lots of time arranging for our large number of MISGA events this year, and he is already firming up the extensive schedule for next year.

We’re also fortunate to have JIM KASAB re-elected Secretary-Treasurer, after another year of expertly maintaining the group’s records, budgeting, and giving valuable advice and technical assistance on many financial issues.

On November 12, the Kenwood Golf Committee held its annual GOLF AWARDS DINNER, where the following Seniors were recognized for winning the 2011 Senior golf trophy events:

JOHN NUNEZ – SENIORS LOW GROSS CHAMPION (Pomeroy Trophy) (He was also the 2010 Champion)

TONY ROTHWELL – SENIORS LOW NET CHAMPION (Dutton Trophy)

DERWIN KIM and ART ZEIZEL – SENIORS TWO-MAN CHAMPIONS (Lippitt Trophy)

BOB OTT – MOST IMPROVED SENIOR (Snyder Award) (Bob dropped his index from 9.9 to 7.6 !)

(See the nearby photos of these great Senior winners, accepting their awards from Head Pro Rod Thompson at the annual golf banquet on November 12!)

Congratulations to these 2011 Senior trophy winners!!

At this, the end of the year’s events, the Seniors wish to extend their THANKS to the following individuals for their continuing, excellent support for and
service to the Seniors’ organization and events:

Cl	ub President TODD CHAMBERLIN; Assistant Pro STEVE PAPANEK (who runs virtually all of the Seniors’ events); Green Superintendent JOHN CASADY (who continued to maintain the course in excellent condition); General Manager STEVE SMITH; Director of Catering DEBBIE LAMB and her staff; JERRY O’NEILL, for devoted service in event registration; JIM KASAB, for handling the 50/50 virtually by himself; AND MANY OTHER SENIORS (you know who you are) who contributed by assisting and participating in the Senior events.

Finally, we give our heartfelt thanks to Head Golf Professional ROD THOMPSON, for his decades of devotion and attention to all Kenwood golfers, and especially to the Seniors. We will greatly miss Rod, not only for what he has done for us, but also for being the great friend and fine gentleman that he is. We hope he fully enjoys his well-deserved retirement.

Congratulations to all the Seniors on another great year!
Enjoy the winter! See you in March, at the Tee Party!! ★

Junior Achievement Award

*By Elizabeth Kaplan*

One of the highlights of serving on the Kenwood Board of Governors is the opportunity to serve on the Junior Achievement Committee. The Junior Achievement Committee reviews the applications of the club’s most talented and accomplished junior members, and takes on the challenging task of choosing one among the many qualified candidates to receive this prestigious award. The winner of the Junior Achievement Award receives a $2,000 U.S. Savings Bond, an engraved commemorative plaque and a letter of commendation from the Board of Governors attesting to the attributes and achievements of the award winner.

The recipient of the 2011 Junior Achievement Award is Claire Jenets, a junior at Georgetown Visitation Preparatory School and an outstanding example of a well-rounded Kenwood junior member. Over the years, Claire has participated in many of the different activities available to junior members, and has won a number of awards and accolades. Claire was on the swim team for many years, and was part of the Junior Golf program from 2003-2006. She also participated in the Junior Triathlon in 2006 and 2007, and earned second place in the triathlon in 2007. In addition, she has been a member of the junior tennis team since 2001, and has consistently distinguished herself in that regard. She has been the top performer in her age group every year since 2005, has won or been a finalist in the Bethesda Chevy Chase Junior Tennis Association (of which Kenwood is a member) championship every year since 2007, and was honored with the Coach’s Award in both 2007 and 2011.

In addition to her athletic activities at Kenwood, Claire has also been a member of the varsity soccer team and varsity spring tennis team at Visitation since her freshman year. In both her freshman and sophomore years, she won the most valuable player award in tennis. In her freshman year, she was also a member of the freshman basketball team. Outside of school, Claire has played travel soccer for Bethesda Soccer Club since 2005.

Claire’s academic achievements are equally impressive. She was recognized in both her freshman and sophomore years as having one of the “Top 10 GPAs” in her class, and won subject awards in 10 different classes during that time. Her schedule includes many honors and advanced placement courses. Claire is also a member of several school clubs, and has participated in leadership training. She traveled last summer as part of a week-long community service trip sponsored by her school, and has engaged in other community service activities.

The Board of Governors is proud to present the 2011 Junior Achievement Award to Claire Jenets. Congratulations to Claire and to her parents, Robert and Dawn Jenets.

The Sunday Night Swim Clinic and the Tuesday/Thursday Swim practices continue to attract many of our members. The swimmers are really showing improvement and developing new skills each week. If anyone is interested in joining either of these groups, please see Robert Smith, Aquatics Director, for more details on the Tuesday/Thursday groups and yours truly at dannonica@comcast.net for the Sunday Night Stroke Clinic. Masters swimmers can follow the work-outs on the White Board in the pool or join the informal group of swimmers that swim Monday, Wednesday and Friday from 6am to 7am.

Water Polo was introduced to our older swimmers and parents during the summer of 2011. Many of our Kenwood team members play the game for their high schools. Timmy Barry, Robby Elliott, Pat Myers, Teddy Myers, and Joe Orlando play for Gonzaga High School. Andrew Wilson plays for Andover in Massachusetts. Cameron Link plays for Landon’s JV Team and Conor Durbin plays for Landon’s Middle School team. Gonzaga players participated in the Prep Eastern Tournament and won the “A” Division bracket for the first time in the school program’s 10 year history. Timmy was named tournament MVP. Water Polo was just ranked the world’s toughest sport in an article featured in www.bleacherreport.com. The report placed water polo above football, gymnastics, soccer, hockey and rugby in terms of strength, agility, endurance and speed! We know our members are tough! Hopefully, water polo will continue to grow as we head into the summer with the CCSDA Water Polo league.

Have a safe, happy and joyful holiday season. New members, do not forget to add something ORANGE to your holiday shopping list!

Good luck to all of our High School and age group swimmers and divers as they enter into their winter championship seasons!

In Memoriam

Our sympathy is offered to the families of the following deceased members:

Capt. Macauley Howard
Mr. Walter J. Kennevan
Mrs. Janice McGurn
By Laila Linden

A few months back I mentioned the passing of a famous Fitness legend, Jack LaLanne. Last month, we lost a local Kenwood legend, Mr. Walter Kennevan at the age of 99. There is not enough room to write about the exceptional life Mr. Kennevan led, so I am going to focus on just a few things we can learn from him regarding fitness:

You are never too old to start a Fitness Program. Mr. Kennevan came to the Fitness Center to improve his walking and fitness at the young age of 94!

You are never too old to see progress in your fitness and well-being. Mr. Kennevan was using a cane and walker when he first started training with Frenchie (one of our Kenwood Personal Trainers). Not only did he get off the cane and walker but worked up to doing 30 minutes on the recumbent bike. And it was not just easy pedaling but a challenging cross-training program!

Have people to support your Fitness! Talk to your family and friends about your Fitness Program, so they can encourage you and keep you motivated. Even better have them be your workout buddy and come to the gym with you! You can also turn to our personal trainers for help in structuring your fitness program and keeping you on the right track to reach your goals!

So don’t delay, take some time out of your busy day and do something good for yourself and your health! And if you need some support or a bit more motivation… the staff here at the Fitness Center are just waiting to assist you in your fitness journey! Give us a call (301) 320-0397 or email me at Laila@kenwoodcc.net.

As 2011 draws to a close and we ready for what many would describe as the busiest month of the year, it is important that we all just take a deep breath and try to keep our stress and tension level in a manageable range. It is so easy to get caught up in the craziness of the holidays especially with so many parties, gatherings, outings, family obligations and traditions that we feel we must participate in. My suggestion is this, have a game plan for how you can manage things that are important for you to do. For those events that you don’t have time for, or are just too much for you to manage, let the individual(s) know that you regret not being able to attend, but would love to plan something after the holidays when you have more time and can really enjoy being together. We are all guilty of over commitment, and the only one who suffers in the end is us. Even with all we have on our plates, we can still make it a priority to take care of ourselves.

Each year around various holidays, I remind the Kenwood membership that we have some wonderful gift giving options for those family members on your list. Spa services whether it be a massage, acupuncture, facial or a combination, makes a wonderful gift that allows the recipient to use when they have time or are in need. Gift Certificates for some gift givers may feel like the easy way out, but I can tell you from our perspective in the spa, the individuals redeeming the gift certificates are ALWAYS excited and appreciative of the gift. And after all, who said gift giving and showing our appreciation for our loved ones needs to be hard. Since the New Year seems to be a time when we tend to focus on taking better care of ourselves, I can think of few things better than having a massage, acupuncture, or facial where the therapist not only helps to address current issues but works to help each individual come up with a plan for better self care going forward.

I could be accused of being biased toward Kenwood’s Spa as the ultimate gift giving destination, but I don’t know, shy of an umbrella drink next to your massage table located in a private cabaña beach side, that it gets any better!

We will be offering a Winter Spa Special which focuses on the two most important areas to help aid in total relaxation, the head/neck/shoulders and the feet. Your foot treatment begins with an exfoliating sugar scrub, followed by a massage and application of Rose Mud from the Provence region of France. While your feet are enjoying the wonderfully smoothing and deeply hydrating benefits of Rose Mud, you will be treated to a head, neck and shoulder massage. Upon removal of the mud, your lower legs will receive a stimulating circulatory massage with shea butter to further moisturize your feet. The One Hour treatment is $100 and will be available during the winter months of December, January and February.

December brings us New Hours for Facials and Waxing. Olena will now be available on Sundays only from noon to 6pm Sundays for December, January, and February. During December we will also be offering 20% off all Ageless Image Skincare products.

We do not keep an extensive inventory of our skincare products so before you run out call us and leave a message so we can make sure we have the products on hand for you when you need them.

We hope to lessen the stress of the holidays for you and those you care about, but please remember that when you are scheduling an appointment, we have a 24 hour cancellation policy, and all non-members must be accompanied by a member as their guest (applicable guest fee applies) to the Fitness Center for their appointment.

We love what we do but we need YOU to come in to enjoy our handiwork. The Spa will have events scheduled during the Fitness Center’s Member Appreciation Day in January, but we hope that anytime you have a question about our services you stop in the Spa, or call us so we can provide you with the information you need.

Have a safe holiday season and a healthy and more relaxed 2012! ★
